Such corrections shall be made by the state Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. (*Reg. 2.5, Reg. 2.6 & Reg. 2.7*)
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the state Party must be submitted to and approved by the RBC before it becomes effective. (*Reg. 2.9*)

B. Description of Delegate Selection Process

1. Idaho will use a proportional representation system based on the results of the semi-closed Caucus for apportioning delegates to the 2024 Democratic National Convention.
2. The “first determining step” of State’s delegate selection process will occur on May 25, 2024 with County Caucuses run by the Idaho Democratic Party.

C. Voter Participation

Selection of Delegates and Alternates

A. District-Level Delegates and Alternates

1. Idaho is allocated 13 district-level delegates. (*Rule 8.C, Call I.B, I.I, & Appendix B*)
2. District-level delegates and alternates shall be elected by a Caucus and Convention System;
 - a. Purpose of County Caucuses: The first step in Idaho's process is that caucuses are held in each county (the "County Caucuses") on May 25, 2024 from 10am-1pmPT/11am-2pmMT. The purpose of the County Caucuses are to (1) determine the allocation of National Delegates based on the presidential preference or uncommitted status of participants, and (2) to elect delegates to the state convention ("State Delegates"). As set forth below, the expressed presidential preference at the County Caucuses determines the number of State Delegates and National Delegates to which each presidential preference that meets the 15% threshold is entitled.
 - b. Presidential Preference Ballot: Attendees will receive one presidential preference ballot with all qualified presidential candidates. Presidential candidates must receive at least 15 percent of the vote in each County Caucus to receive a proportional allocation of State Delegates.
 - c. State Delegate Selection Ballot: Attendees will receive one State Delegate selection ballot. Attendees will vote for the number of State Delegate candidates allocated to their County. Attendees will participate in the delegate selection of their presidential preference.
 - d. Ties: In the event of a tie vote affecting who will serve as the State Delegate or alternate, the winner will be decided by a coin toss conducted by the County Caucus Chair (or designee) with the volunteers and observers witnessing the outcome.
 - e. Determination of National Delegates Allocated to Presidential Preferences at County Caucuses: The allocation of National Delegates at the County Caucuses is determined as follows. Following the close of voting at the County Caucuses, the County Caucus Chair will send all results to the State Chair. The State Chair will allocate the winning presidential preferences the number of National Delegates to which such preferences are entitled under these rules. The National Delegate allocation will fairly reflect the expressed presidential preference or uncommitted status of the county participants in each Congressional District. Provided, however, that any presidential preference (or uncommitted status) receiving less than 15 percent of the vote in a Congressional District shall not be entitled to any National Delegates for that Congressional District. The allocation of National Delegates shall be determined by totaling the votes of all presidential preferences (and uncommitted status) that are at or above the 15 percent threshold following the County Caucus vote and allocating the available delegates

Idaho 2024 Delegate Selection Plan

proportionately among them. If no presidential preference (or uncommitted) reaches the 15 percent threshold, the threshold shall be the percentage of the vote received in that Congressional District by the front-runner minus 10 percent.

- f. Selection of National Delegates at the State Convention: The apportioned county delegations will go on to elect District level delegates at the Idaho Democratic Party State Convention to be held in Moscow, Idaho June 21 and 22, 2024. The Delegate selection elections will be held on Saturday, June 22 from 2:00-6:00pm PT. In accordance with the agenda of the Idaho Democratic State Convention, on June 22, the State Convention Chair shall recess the State Convention and convene the State Delegate Selection Caucus and shall call roll of all delegates, district by district, by name and identification with candidates and identification of those uncommitted. In the case of absent delegates, duly certified and registered alternates must answer the roll call and identify themselves as designated alternates for such absent delegates. State delegates will meet in district level/presidential preference caucuses on June 22, 2024 and cast signed ballots to elect district level national delegates. Pledged PLEO (Party Leader and Elected Official) delegates and the At-Large National Delegates shall be elected by all of the state delegates. Only State Delegates, their duly-certified alternates or their proxies will be allowed to vote.

- a. Detailed Procedures for County Caucuses and State Convention;

Apportionment Formula. The formula for apportioning the state convention delegate votes for the purpose of national delegate selection will be each county will be allocated one state delegate for every 500 Democratic votes cast, rounded up, in the average of the 2016 Presidential election and the 2020 Presidential election. The total number of delegates chosen at the County Caucuses and sub-caucuses to be delegates at the State Convention for the purpose of national delegate selection shall be 482. Each county shall be allowed to choose a like number of alternates. The number of delegates allotted to each county is shown in Table 1-1 on page 16.

Notice. The Idaho Democratic State Caucuses and Convention shall be effectively publicized by the State Party well in advance of such events including public notice of times, dates, places and rules for conduct of all events and stages involving the delegate selection process, and including concise, educational statements about all such events in the delegate selection process.

- (a) Designation by County Chair. On or before March 1, 2024 the Democratic County Chair in each county in the State of Idaho shall prepare and forward the State Chair a notice stating that on May 25, 2024, at the hour of 10am PT/11am MT, at a public place which is handicapped accessible (to be designated in the notice by the County Chair), a Democratic County Caucus shall be held for the purposes of presidential preference selection and selecting delegates to the State Convention who in turn will select delegates to the 2024 Democratic National Convention.

Only in the event that such a refusal to publish occurs then the Idaho State Democratic Party shall pay at least ½ of any cost connected with the publication of such notice or advertisement.

On May 25, 2024 10:00am-1:00pmPT/11:00am-2:00pm MT at locations TBA pursuant to the notice given as provided above, County Chairs of each county shall convene the County Caucus, oversee the registration and certification of participants, the handling and counting of ballots and signed pledge forms received, and submit a list of state delegates to the State Chair no later than the Tuesday immediately following the caucus, May 28, 2024. That person shall then become a delegate in place of the delegate who cannot attend. In the event that a person cannot attend, the alternate list shall again be consulted for the next highest vote getter. In the event that there are not enough alternates available who can attend the convention to fill all of the delegate seats, staff must go back to the delegate election list and find those persons receiving votes to be delegates, but not elected as delegates or alternates. Any person filing a notice of appeal must accompany the same with an executed pledge identical in form and substance to the pledge required by Rule III-C-2 hereof. In the event it affirmatively appears on the face of the certification of proceedings that the proceedings have not been conducted in the manner provided for, then the State Chair shall so advise the offending County Chair, specifying the errors in such proceedings and identifying each error and section or sub-caucus section of these rules that have not been complied with, and in such event the County Chair shall within ten (10) days of receipt of notice cause another county delegate to be held in conformity with the requirements of these rules, with notice given as provided in Rule III-A hereof, and such County Vice-Chair shall thereafter conduct the caucus as herein provided and shall certify the results thereof to the State Chair; provided further, that the State Chair may of his or her own motion, whether an appeal has been filed or not, in the event it is obvious from examination of the credentials certified by any County Chair that these rules have not been complied with, direct that another County Caucus be held in such offending county or counties as herein provided.

Idaho 2024 Delegate Selection Plan

3. Apportionment of District-Level Delegates and Alternates

- a. State’s district-level delegates and alternates are apportioned among the districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2020 presidential and the 2016 Presidential election. *(Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A)* The Idaho Democratic Party does not hold closed primaries and does not require voters to register with a party to participate in their partisan primaries. Many of Idaho’s unaffiliated voters regularly vote for Democratic candidates and since the 2016 Presidential election the percentage of their vote has been growing. Therefore this is the fairest way to apportion district level delegates to the 2024 Delegate Selection Plan.
- b. The number of men and the number of women in the state’s total number of district-level delegates and alternates will not vary by more than one. *(Rule 6.C.1 & Reg. 4.9)*
- c. The district-level delegates and alternates are apportioned to districts as indicated in the following table, assuming no gender non-binary delegates or alternates:

District	Delegates		
	Males	Females	Total
#1	3	3	6
#2	3	4	7
Total	6	7	13

4. District-Level Delegate and Alternate Filing Requirements

- a. A district-level delegate and alternate candidate may run for election only within the district in which they are registered to vote. All delegate applications will be reviewed by information provided by the Secretary of State to ensure Democratic Party affiliation and registration address. (Candidacy filings are available starting January 5, 2024 and can be submitted online at idahodems.org/2024delegate or hand delivered/mailed postmarked to arrive before the deadline to the state party at 413 W Idaho St STE 200, Boise, ID 83702. *(Rule 13.H)*
- b. An individual can qualify as a candidate for district-level delegate to the 2024 Democratic National Convention by filing a statement of candidacy designating their singular presidential (or uncommitted) preference and a signed pledge of support for the presidential candidate (including uncommitted status) with the State Party by June 21, 2024 8pm PT. (see example below) Candidacy filings can be submitted online at idahodems.org/2024delegate or hand delivered/mailed postmarked to arrive before the deadline to the state party at 413 W Idaho St STE 200, Boise, ID

Idaho 2024 Delegate Selection Plan

83702. A delegate or alternate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline. (Rule 13.B, Rule 15.F & Reg. 4.23)

- c. No registered Democrat shall be precluded from election as a delegate to the National Convention because of inability to be at State Convention. Someone who is not able to attend the State Convention may submit the pledge form as provided for in Rule III-B-2 to the state chair no later than June 21, 2020 8pm PT and therefore become eligible for election as a delegate to the National Convention. No such absent person is eligible to vote or otherwise participate in the State Convention business.

- d. All candidates considered for district-level alternate positions must meet the same requirements as candidates for district-level delegate positions ***[except that the state may allow candidates who were not chosen at the delegate level to be considered at the alternate level]***. (Rule 13.C)

“I am or will be a qualified elector by November 5, 2024 for the 2024 general election. I reside in _____ County, and I am an affiliated member of the Democratic Party. Should the party desire to publish my name as such, I hereby agree.”

- 5. Presidential Candidate Right of Review for District-Level Delegates and Alternates
 - a. The State Democratic Chair shall convey to the presidential candidate, or that candidate’s authorized representative(s), not later than **June 22, 2024 8am PT**, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate. (Rule 13.D & Rule 13.F)

(Rule 13.E.1, Reg. 4.23 & Reg. 4.24)

Idaho 2024 Delegate Selection Plan

- c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than **June 22, 2024 12pm PT**.
 - d. National convention delegates and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. *(Rule 13.E & Reg. 4.23)*
 - e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this Plan. *(Rule 6.I & Reg.4.10.C)*
6. Fair Reflection of Presidential Preference
- a. Presidential Primary - Proportional Representation Plan *(Rule 14.A, Rule 14.B & Rule 14.D)*

The State presidential primary election is a "binding" primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.
 - b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. *(Rule 14.F)*
7. Equal Division of District-Level Delegates and Alternates
- a. To ensure the district-level binary-gendered delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of

Idaho 2024 Delegate Selection Plan

vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category, but do count towards the total delegate allotment. (*Rule 6.C., Rule 6.C.1 & Reg. 4.10*)

(1) The highest-vote getting delegate candidate for the district's winning presidential preference will be the first delegate assigned. Following that determination, the state will then designate the remaining positions for that presidential preference and any subsequent preferences alternating by gender, as mathematically practicable.

b. After the delegates are selected, the alternates will be awarded, using the same process described above.

8. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates and alternates to the Democratic National Convention within ten (10) days after their election. (*Rule 8.C & Call IV.A*)

(2) Democratic President and Democratic Vice President (if applicable); (*Rule 9.A.2 & Call I.G*)

(3) All of State's Democratic Members of the U.S. House of Representatives and the U.S. Senate; (*Rule 9.A.3, Call I.H & Call I.J*)

(4) The Democratic Governor (if applicable); (*Rule 9.A.4, Call I.H & Call I.J*)

(5) "Distinguished Party Leader" delegates who legally reside in the state (if applicable); (*Rule 9.A.5, Call I.G & Reg. 4.14*)

b. An Automatic delegate may run and be elected as a Pledged delegate. If an Automatic delegate is elected and certified as a Pledged delegate, that individual shall not serve as an Automatic delegate at the 2024 National Convention. (*Call I.J*)

c. The certification process for the Automatic Party Leader and Elected Official delegates is as follows:

Idaho 2024 Delegate Selection Plan

- c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. *(Call VII.C.3)*
 - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. *(Call VII.C.4)*
3. Presidential Candidate Right of Review
- a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. *(Call VII.D.1)*
 - b. Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, by June 22, 2024 7pm PT, a minimum of (1) name for each slot awarded to that candidate for members of each committee.  - b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the Credentials Committee of the presidential candidate with

Idaho 2024 Delegate Selection Plan

the most standing committee positions shall be designated for a male, and the next binary position, if one occurs, will be designated for a female, and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between males and females, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to gender non-binaries but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.

- (1) A separate election shall be conducted for membership on each standing committee.
- (2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee and among the three committees in aggregate shall not exceed one. *(Call VII.E.2)*
- (3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). *(Call VII.E.1)*
